# Leaving a Legacy in your Will – getting your house in order could help us to help a homeless person

## Why think ahead before you die?

Your legacy could be the start of someone else's improved life. Don't leave loved ones in any doubt about your wishes.

Releasing capital when you die and donating part to the Friary will help the homeless to a better future. A fraction of your Will can still save lives.

Leaving a gift to the Friary in your Will is easier than you think. There are 2 main types of gift:

**Residuary Gift** – a share in the residue of the estate after all specific or pecuniary gifts have been made and all taxes and expenses have been paid.

**Pecuniary Gift** – a gift of a specific sum of money.

LEAVE  
A GIFT IN  
YOUR WILL

Don't be put off by the jargon, it's easy to set up with the help of a solicitor. If you already have a Will then a Codicil is all you need. If you haven't yet made a Will then take this opportunity to get one arranged!

We recommend using a solicitor or legal professional if you are considering making a Will or amending your Will. Visit the Law Society to find a solicitor near you. [www.solicitors.lawsociety.org.uk](http://www.solicitors.lawsociety.org.uk)

### **We've provided some wording to guide you:**

**Free Wills Month** takes place twice a year – in March and October – to give anyone aged 55 and over the chance to have their Will written or updated for free. Many solicitors from across the country take part in the campaign.

Raising awareness about homelessness will be part of your legacy and a great way to show people you care.

Life's hardships can turn people's lives upside down. Despair can creep in. The Friary meets people in their need, helps restore their dignity and put them back on their feet. Being homeless can be temporary with the generous financial help of people like you.

If you would like to meet with the Trustees of the Friary to discuss your intentions and be certain of your future investment, we can make an appointment.
