STALL about GIVING SOMETIME TO HELP
YOUR COMMUNITY**

STALL

Over the past 18 months we have made it our highest priority to work with and support local people and organisations who are dealing with the effects on our community of Covid-19.

The level of community spirit and support for others has been amazing and we want to encourage groups and individuals to continue this effort as we begin to emerge from the pandemic and start to deal with the consequent effects on individuals and our community.

Talk to us at The Buttercross if:

You would like to give some time to help the established organisations we work with (such as the Friary or Tara's Angels or Rosie May Foundation)

You would like to start up a new group, where you think we might be able to help by giving advice or start-up funding

You would like to join us in one of our projects or fundraising activities (such as becoming a collector on our Xmas Float)

We and volunteers from the Friary, Tara's Angels and Rosie May Foundation would love to meet you
